FROM THE CROWN --

Greetings gentles! Since our last writing, we have had time to visit both the Baronies of al-Barran and the Citadel. We have also travelled to foreign soil three times to establish and cement good relationships with our near neighbors. His Majesty travelled to Black Lake, Ansteorra, and attended their Spear Tourney. We attended the Artemesian Champion Tourney in Dael Beorht (Montrose, Colorado) and Atenveldt's Coronation (Phoenix, Arizona). We had a marvelous time at all these events and wish to thank those who offered their hospitality to us and made efforts to entertain their guests.

We have had as yet very little communication from the members of the populace and do wish to hear from you. We assume that no news is good news -- so the Outlands must be functioning well with no problems reported. We must assume from this that all offices are functioning well and that the events planned have been a success. Keep up the good work.

Estrella War is only a little more than a month away and time is running out to prepare yourselves and your gear. As the Crown, we'd like to see a lot of Vert and Or since this is the first opportunity for us as a Kingdom to shine. Your Seneschals will shortly (or have) receive a letter describing our involvement in the War. In this letter we have also made suggestions for fighters' tabbards so that our forces will be easily recognized. We will be distributing more information about the War in separate letters to the group Seneschals and through the pages of this newsletter. We hope everyone planning to attend is planning to have fun as well.

The year-end financial reports should be received from Lady Ursula soon (if they already haven't been). Please assist Lady Ursula in her tedious job by reporting early and accurately your group's finances. Since we have double-duty to perform, both as a Principality and a Kingdom part of the year, it is even more important to report early.

Having weighed the many possible suggestions, we have asked the Barony of al-Barran to sponsor the next Crown Tournament on April 18th, A.S. XXI. The Coronation for our successors who will be chosen at that event is scheduled to be held on May 31st, A.S. XXII, in the Barony of Dragonsspine. We make this announcement now so that those wishing to compete in the Lists will have plenty of time to prepare. We will not be requiring letters of intent be submitted, but it is hoped that those preparing to enter the Lists will inform us of such in advance of the tourney. We are looking forward to a smooth transition into the next reign.

Our tentative itinerary is below. As you can see the schedule is already becoming very full. If you are planning an event and wish the Crown to attend, please inform us and register the event as soon as possible. For now, we remain in service to the Outlands and her people.

St. Stephan's Day and Warlord Tourney

Although Christmas Day itself was traditionally reserved for church and family, on St. Stephan's Day the manor house doors were thrown open to the populace of the estate. They were fed and given small gifts to reward them for their service of the past year.

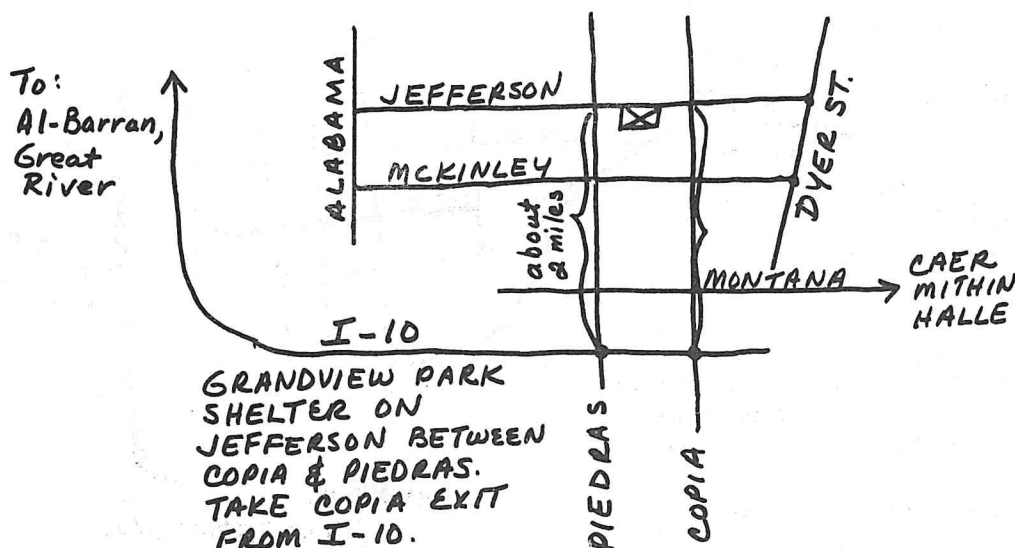

Please join us this year for our fifth annual St. Stephan's Day Soup Supper on December 27th. In conjunction with this year's event we will also be holding the Citadel's Warlord tourney and a plunder tourney.

The event will be held at Grandview Park Shelter and will commence at 12 noon. The lists will open at 1 p.m. for the Warlord tourney (Citadel members only) and a Plunder tourney open to all (your entry fee will be some plunder of no more than \$5.00 in value--jewelry, duct tape, trim, wine, feast gear, etc.). There will also be a ladies' arm wrestling contest, caroling, gaming and feasting. Contest will also be held for best side dish and best Christmas dessert (see below).

The Baron and Baroness will be providing soup, bread and cheese, hot spiced cider and birthday cake (His Majesty will be turning 21!). Contributions to the side board of other delicacies to please the palate would be greatly appreciated and will be automatically entered in the contests mentioned above.

There is no site fee for this event for dues-paying members of the SCA; non-members will pay a site fee of \$3.00. Guests are welcome. Please make advance arrangements for crash space. Bring feast gear with bowls, banners, lots of candles, your contribution to the sideboard and beverages in period containers. MERRY CHRISTMAS FROM THE CITADEL OF THE SOUTHERN PASS!

FONTAINE DANS SABLE DEFENDER TOURNEY

Here ye, ol' gentle folk, lords and ladies, anachronists all. Once again we cry out unto the Knowne World for help and support. Last year's Defender and Tourney was an excellent success thanks to all those who attended. We plan for this years event to be even more spectacular. Our gallant defender Lord Cathyn Bluesword has honored our shire, but now it is time again for that test of fighters to find one noble and willing enough to fight for the honor of defending our most humble shire.

Last year we had to plead for much help and support from outside, and received it a'plenty. We owe much thanks to many and especially to the al-Barranians. Because of their support we have been able to grow from five to over twenty. This year we still need help, and would like to see an even larger turnout. For those of you planning to attend the Estrella War in February, this will be a good experience. Also, this will be a demonstration to the mundane world, so that we might gain new members, and strengthen our support to the Crown. As this is a demo, merchants and artisans are encouraged to bring their wares for sale or display.

We plan to have several events besides the defender tournament (this is a prize tournament.) A chess tournament and a bardic competition are planned.

Prizes to be won include: Best Fighter (based not only on fighting merit, but chivalry as well), Best Costume, Best Bard/Musician, Best Artisan, and more.

There will be a feast/revel following the tourney (held at separate location, directions available at tourney.) Reservations should be made by January 3. Cost is \$3.00 (12 and over.) On the very French menu, we have:

Saint Germain	Potage Crecy
Cheeses	Bread
Pommes	Vermicelli & parsley butter
Roast Mystery Beast	Saffron Tea
Pain de Fruits	Jalousies
Limonadiers	

Feasters, BRING YOUR OWN FEASTING GEAR AND SUPPLIES!!!
(Crash space is available, please call for confirmations.)

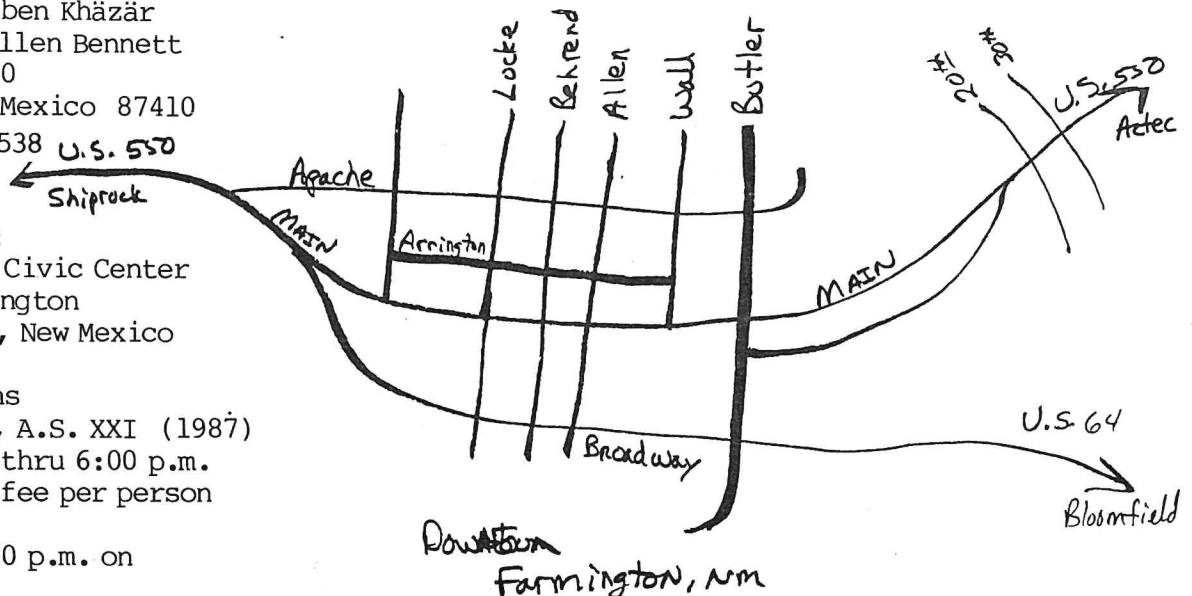

Remember, on January 10, A.S. XXI, Fontaine dans Sable will need YOUR help and support, so please, make plans to come to our demo and revel. For further information contact:

Directions

Folk arriving from the north (Caerthe) may wish to exit I-25 at the North Gate to the Air Force Academy and proceed east on North Gate Road thus avoiding the construction on both I-25 and highway 83. **WARNING:** this road has a couple bad curves (marked at 15 & 25 mph) which are incorrectly graded. They present no problem provided you observe the speed reduction warning. North Gate Road dead-ends at Highway 83. Proceed south to Shoup Road (the first paved road [not driveways or ranch roads] you come to on your left). The intersection of Shoup and Black Forest roads has the only traffic signal. The site is on the south-east corner of this intersection.

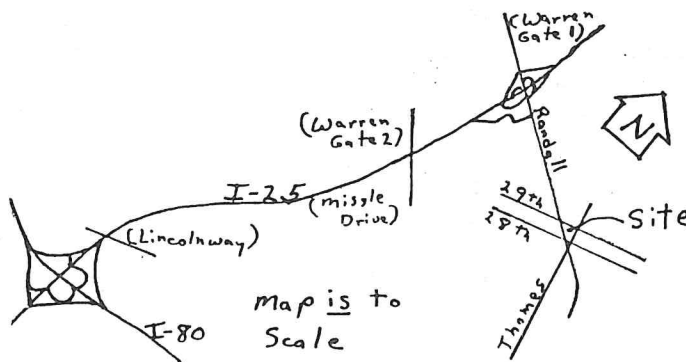

Folk arriving from the south (Aarquelle) have several choices. The route which avoids all of the construction is the exit at Woodman Road. **NOTE:** There are 2 right turn lanes at this exit. Use the left one and then get into the through (left) lane as soon as you have completed the right turn (actually you have a block before you would be forced to turn right into a business parking lot). You will encounter two traffic signals (Academy Blvd. and Union) before you reach Black Forest Road. There is a flashing traffic light where Templeton Gap Road dead-ends into Woodman Road which is a long block before the left turn onto Black Forest Road.

In case of severe weather, Woodman and Black Forest roads are 2 of the county's top priority for maintenance because they are emergency vehicle routes. Also, highway 83 is frequently passable even when I-25 is closed. It is, however, 20 miles further to Caerthe than via I-25.

The Winddragon Bardic features prizes for best original song, poem, or story and best performance overall. Dust off your wit and come to the Winddragon Bardic in Cheyenne, Wyoming!

HAVE A LARGE GROUP OF 6 OR MORE COMING? SITE FEE \$3 EACH FOR WINDDRAGON BARDIC.

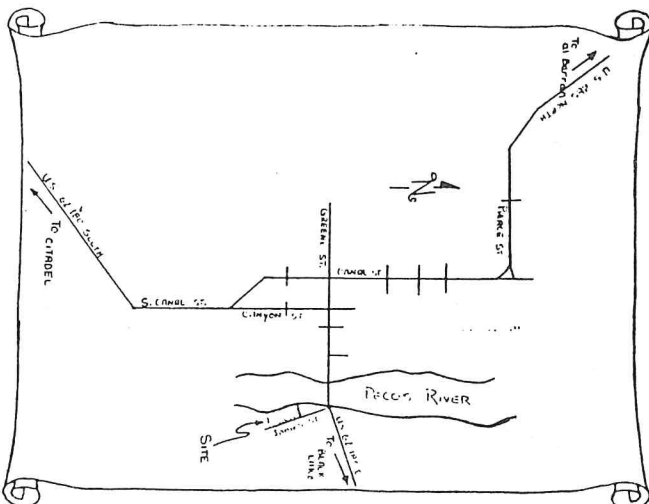

Hodag Feast

The Shire of Caer Mithin Halle is once again being threatened by those cunningly dangerous and elusive beasts, the Hodags. Because of this we will be holding a Hodag Feast and Defender Tourney on March 21-22 A.S. XXI (1987 c.e.). Much feasting and revelry is planned and we invite all to come and share it with us.

CHOCOLATE

REVEL

The Second Annual Windkeep Chocolate Revel will be held at Yewwood Manor on Saturday, 14 February, A.S. XXI, being 1987 of the Common Era.

At this time, we will be choosing the new lord and lady deemed Most Chivalrous in the Shire to hold that title for the coming year. Those who have held it for the past year, Lord Tod Coyle and m'lady Renate Koven, will be ineligible to retain the title next year. We are working this like Royalty — you cannot succeed yourself.

In addition to this, we will be holding several Chivalry- and Love-related competitions that are open to all — and appropriate prizes to go with them. These will include a Quest, Hand Kissing and Most Comely Legs, among others.

We are also holding a potluck meal — all attendees are asked to bring something made of chocolate. The autocrat will be providing some "real food" to go with the chocolate. The dish deemed the favorite of the chocolate will also win a prize!

Site fee is \$1.00, or a chocolate dish for all to try.

This revel starts at 2 p.m. and runs until we are all tired of eating chocolate (or A.S. XXII, whichever comes first!). PLEASE NOTE: This event is being held on F.E. Warren AFB. If you do not have access to military facilities, you MUST call the autocrat (or his lady) beforehand so we can sponsor you onto the base. You must then stop and get your visitor's pass. This is a matter of a few minutes only!

ALSO PLEASE NOTE: Due to a severe allergy, there will be ABSOLUTELY NO SMOKING inside the revel site. If you must smoke, you will have to go outside. Thank you.

This is a WET SITE. Please bring your own drinks.

UNTO ALL FIGHTERS AND MARSHALS OF THE OUTLANDS,

Sir Jochen von Balduinseck sends, GREETINGS!

The Board of Directors and the Society Marshal have recently directed all kingdoms of the Known World to implement a uniform certification procedure for fighters and marshals, and a grievance procedure for fighters to follow in case a problem occurs.

I have distributed to all groups in the Outlands a copy of the BOD directive and a set of implementations for the Outlands to the Territorial Marshal of each group or to the Seneschal if no marshal is known to me. Additionally, I have named Sir Mika Longbow as my Deputy Earl Marshal, with responsibility to certify marshals in the North of the Kingdom. I will fulfill this duty in the South.

Active fighters should contact their local Territorial Marshal in order to be certified. Marshals who wish to be certified should contact Sir Mika or myself. If there is no marshal in your group, then see the nearest Territorial Marshal or Sir Mika or myself. As a first-time courtesy, members of the Chivalry may contact Sir Mika or myself for certification as fighters.

To distribute the information as widely as possible, I am enclosing the full BOD instructions for printing. All the provisions are in effect now, except that the new forms are not yet in from the SCA, and TRM Johann and Kathryn have not yet named the members of the Quarter Court.

In service to the Society and the Outlands,

Sir Jochen von Balduinseck, Outlands Earl Marshal

PROPOSAL FOR IMPLEMENTATION OF BOARD DIRECTIVES

Tentative Date of Implementation is January 1, 1987.

NEW AUTHORIZATION PROCEDURE, WAIVERS, CARDS:

- 1) Fighter Authorization: Only a Marshal warranted and designated by the Earl Marshal of a Kingdom to Authorize fighters may perform an Authorization. This Marshal must witness the Authorization and must execute the appropriate paperwork to insure that the Authorization is registered with the Earl Marshal or his Deputy. All Kingdoms will standardize their Beginning Authorization along the following minimums (Note that Kingdoms may impose additional criteria):

The Fighter must be familiar with the Rules of the Lists.

The Fighter must be safe to himself and his opponent.

The Fighter must demonstrate adequate competence at sword and Shield. (The Earl Marshal may, for proven medical conditions, require a substitute weapons systems.)

The Fighter must agree to familiarize himself with any Fighting Conventions in effect in any Kingdom in which he fights, or in any inter-Kingdom event.

The fighter must execute the "Waiver and Informed Consent to Participate in SCA Combat-Related Activities".

Minors (16 to 18) may authorize with these additional criteria:

The parents or guardians of the minor must witness SCA Combat, discuss it with a witnessing marshal, and execute a "Parent's Consent for Combat-Related Activities".

The witnessing marshal must be explicitly warranted to perform this function by the Earl Marshal.

The Earl Marshal of the Kingdom, or the Principality Marshal, must be the one to Authorize the minor for SCA Combat. In cases where distance makes it impossible for the Earl Marshal to be present, the Earl Marshal may designate a Deputy to witness the Authorization and report on it.

At any event in which the minor is involved in SCA combat-related activities the minor must either have a parent or guardian present, or must be in possession of a properly-executed "Medical Authorization Form for Minors" designating some adult present at the event as able to authorize medical treatment in the case of an emergency.

Combat Archery:

Participants involved in Contact Combat Archery, in which the Archer may be struck by a Fighter, must meet these additional criteria (for Non-Contact Combat Archery, see below):

Must be fully authorized Fighters, as outlined above.

Must wear SCA Heavy-Weapons Combat armour, as outlined in the Marshal's Handbook, and as may be augmented by their Kingdom.

Must meet whatever additional safety/competency requirements and conventions that are set forth by their Kingdom, any Kingdom in which they participate, or any inter-Kingdom event in which they participate.

- 2) Other Combat-Related Activity Authorizations (except Marshalling):

Each Kingdom which allows Non-Contact participants in SCA Combat-Related Activities shall be responsible for the establishment and maintenance of appropriate rules and regulations for those participants and their activity, subject to the guidelines given below.

All Non-Contact participants in SCA Combat-Related Activities (such as Scouts, Non-Contact Combat Archers, Banner-Bearers, et cetera) must be clearly marked with the 'Inter-Kingdom Non-Combatant Symbol': White Diamonds a minimum of 6" on a side, made either with cloth or tape, or painted, and clearly visible on the front, back, and sides of the helm. Should the diamonds not be visible against the background of the helm, they should be mounted on a band of clearly contrasting color. It is further suggested that these participants wear the same symbol on their chest and back.

Participants in Combat-Related Activities may be authorized only by warranted Marshals who have been designated by the Earl Marshal to perform this function. In normal circumstances, this Marshal must witness the Authorization and must execute the appropriate paperwork to insure that the Authorization is registered with the Earl Marshal or his Deputy. All Kingdoms will standardize their Authorizations along the following minimums (Note that Kingdoms may impose additional criteria):

The Participant must be familiar with the Rules of the List.

The Participant must be aware of any safety requirements applicable to himself (and his opponent).

The Participant must be instructed how he is to be "killed", how to die safely, and how to report any violations of the rules regarding this.

The Participant must agree to familiarize himself with any applicable Conventions in effect in any Kingdom in which he participates, or in any inter-Kingdom event.

The Participant must execute the "Waiver and Informed Consent to Participate in SCA Combat-Related Activities".

Minors (14 to 18) may authorize with these additional criteria:

The parents or guardians of the minor must witness SCA Combat, discuss how it relates to the participation their child will be involved in with a witnessing marshal, and execute a "Parent's Consent for Combat-Related Activities".

The witnessing marshal must be explicitly warranted to perform this function by the Earl Marshal.

The Earl Marshal of the Kingdom, or the Principality Marshal, must be the one to Authorize the minor for SCA Combat-Related Activities. In cases where distance makes it impossible for the Earl Marshal to be present, the Earl Marshal may designate a Deputy to witness the Authorization and report on it.

At any event in which the minor is involved in SCA combat-related activities the minor must either have a parent or guardian present, or must be in possession of a properly-executed "Medical Authorization Form for Minors" designating some adult present at the event as able to authorize medical treatment in the case of an emergency.

3) Marshal Authorization:

There is a distinction between Warranted and Authorized Marshals. All Authorized Marshals (who are noted as such on their Authorization Cards) may assist in running a List, overseeing combat, offering opinions on authorizations, controlling crowds, et cetera. Warranted Marshals are also Officers of the SCA, Inc. As such they must be at least 18 years of age and members of the Society. Only Warranted Marshals may conduct Authorizations (if so designated by the Earl Marshal) and handle the necessary paperwork to keep track of same. Only Warranted Marshals may give approval for use of Armour and Weapons in combat (since this is official acceptance of the suitability of such equipment). The Marshal-in-Charge of an event must be a Warranted Marshal.

Only a Marshal warranted and designated by the Earl Marshal of a Kingdom to Authorize marshals may perform a Marshallate Authorization. It is recommended that this should be the Earl Marshal himself, or one of his Deputies. This Marshal must witness the Authorization and must execute the appropriate paperwork to insure that the Authorization is registered with the Earl Marshal or his deputy. All Kingdoms will standardize their Marshallate Authorizations along the following minimums (Note that Kingdoms may impose additional criteria):

The Marshal must have a good working knowledge of the Rules of the List, and any additional Kingdom Rules or Conventions.

The Marshal must be willing and able to enforce the Rules of the List, and any additional Kingdom Rules or Conventions.

The Marshal must have a good working knowledge of the Society minimum Armour and Weapons standards, and any additional Kingdom Armour and Weapons standards.

The Marshal must be willing and able to enforce the Society minimum Armour and Weapons standards, and any additional Kingdom Armour and Weapons standards.

The Marshal must demonstrate the ability to conduct an inspection of Armour and Weapons for use in combat.

The Marshal must agree to familiarize himself with any applicable Conventions in effect in any Kingdom in which he participates, or in any inter-Kingdom event.

The Marshal must demonstrate the ability to conduct an Authorization for Fighters and Non-Combatants.

The Marshal must demonstrate the ability to safely oversee and control a List Field, including SCA Combat, whether this be single combat, team combat, general melee, or part of a war environment.

The Marshal must execute the "Waiver and Informed Consent to Participate in SCA Combat-Related Activities".

4) Authorization Cards:

Each authorized participant in an SCA Combat-Related Activity (Armoured Combat, Period Fencing, Combat Archery, Marshalling, Scouting, Banner-Bearing, and any other related activities) shall be issued an Authorization Card. This card shall be presented to the Lists Official at an SCA event to register for participation in any combat-related activities. This card must be shown to any marshal or lists official upon request, and may be confiscated by the Marshal-in-Charge of an event for just cause (see "Resolution of Grievances" below).

Each Earl Marshal shall be responsible for establishing an office to handle the issuance of Authorization Cards, once the necessary paperwork (specifically a signed and dated authorization form by the Authorizing Marshal, along with the appropriate Waiver) has been received. This office shall keep both the Waiver and the authorization form on file. This office will provide the Earl Marshal with a current list of all Authorization Cards outstanding at least quarterly. Periodic spot-checks of these cards will be carried out to insure that the cards correspond with the official list.

RESOLUTION OF GRIEVANCES:

At the first level, there are two methods of dealing with a grievance: the Report System, or the "Marshal's Court". Each Kingdom shall have both systems in operation. Both are standardized Society-wide, and should provide enough flexibility to handle any situation that arises. Appeals and review will be handled at the next level of court: the Quarter Court. This will be a standardized court Society-wide, as outlined below. Appeals and review of decisions by the Quarter Court may be handled by a Kingdom Court (a Court of Chivalry) as currently exist in Kingdom Law.

REPORT SYSTEM:

(Taken from a handout by Viscount Maelgwyn de Lyonesse, Earl Marshal for the West, and as amended by discussion at the Marshallate Symposium). Since this system is operated by the Earl Marshal, it provides a fair amount of flexibility, backed up with the advantages of a bureaucracy. It requires that the Earl Marshal take an active role in enforcement and oversight of the Marshallate. (In essence, this is just the codification of the current powers that the Earl Marshal has to deal with problems.)

1. The Earl Marshal will review the behavior of the individual after receiving 2-3 unsolicited complaints.
2. If complaints have merit, the individual will be put "on report" for a given period of time (usually three to six months). The individual will be told privately that he is "on report".
3. While the individual is "on report", no further disciplinary action will be taken unless additional complaints are received.
 - a. If the individual returns to accepted levels of conduct during the report period, no further action will be taken, and the individual will be removed from the Report and given a "clean slate" from which to be considered in the future.
 - b. If additional complaints are received, further disciplinary action will be taken by the Earl Marshal (e.g. cancellation of fighting authorization) on a temporary basis. This decision may be appealed to the Quarter Court.
 - c. If still further complaints are heard, and verified, after disciplinary action is taken, then the case will be referred to the Quarter Court for consideration of further disciplinary action.

MARSHAL'S COURT:

This court will allow for problems to be settled at those events where it is not possible for the EM to be present, though it requires somewhat more attention to paperwork: specifically that the EM receive a "Court Report" along with a tourney report. It also provides for additional flexibility: anyone can bring a matter before a Marshal's Court (complaints about someone ignoring rules, hitting too hard, using an illegal weapon) and get an (almost) immediate response.

1. Composed of the Marshal-in-Charge of an event, who shall be the head of this Court and therefore responsible for following through on reporting procedures, one other warranted Marshal (chosen by the "defendent"), and a member of the Chivalry (chosen by the MiC, or by the Chivalry present).
2. In the event that the MiC has a conflict of interests, he shall select another warranted Marshal to take his place. Should there not be any members of the Chivalry present, or if all such members have a conflict of interest, the MiC (or his replacement) shall select one of the most experienced fighters present as a replacement.
3. Reaches a decision by majority vote.
4. Convened during a break in the fighting, following complaint/problem, at the decision of the MiC.
5. For consideration of such problems as unchivalrous conduct, use of excessive force, violations of the Rules of the List, use of illegal or uninspected equipment, et cetera. May also be convened to review events leading up to an injury, and to examine who, if anyone, was at fault.

6. Has the power to:
 - a) remove a fighter/participant from Lists for that event, and may confiscate that person's Authorization Card. If the card is confiscated, it then should be forwarded, along with a report of the problem, to the Earl Marshal.
 - b) warn a fighter/participant that the above actions may be taken if the problem continues.
 - c) decide that there was no infraction of the Rules, or other action that needs to be addressed.
7. Must see that a "Court Report" is forwarded to the Earl Marshal. Any direct action by the Marshal's Court (removing a fighter/participant from the Lists) shall be reviewed by the Quarter Court (see below). Appeals of any decision by the Marshal's Court -- either by the complaintant or the defendant -- will goto the Quarter Court. Any decision of the Marshal's Court will stand until reviewed by the Quarter Court.

QUARTER COURT:

1. Shall be standardized, Society-wide, with such a court existing in each kingdom.
2. Composed of the Kingdom Earl Marhsal, who shall be the head of this court, a member of the Chivalry who is selected by his peers to serve on the court for a period of 6 to 18 months, and one person appointed by the Crown at the beginning of the Reign.
3. In the event of a conflict of interests, the Earl Marshal shall be replaced by one of his Deputies. Should the member of the Chivalry suffer from a conflict of interests, he shall be replaced by an alternate selected at the time of his appointment. Should the Crown's appointee suffer from a conflict of interests, the Crown shall select an alternate.
4. Reaches a decision by majority vote.
5. This is a standing body that must be convened Quarterly, if only to determine that there are no cases before it. It is suggested that the court schedule be determined and published at the beginning of each year by the Earl Marshal.
6. To handle appeals and review cases handled by either the Marshal's Court or the Report system, as applicable. Shall automatically review all cases where a fighter/participant had an authorization temporarily revoked, or where there was a serious injury sustained.
7. In dealing with the above, this court has the power to:
 - a) overturn, augment or otherwise alter any lower court or administrative ruling, given the constraints below.
 - b) clear a fighter/participant from any charges or penalty given by a lower court or administrative fiat.
 - c) bar a fighter/participant from participation for a specified length of time. This may include permanently revoking an authorization.
 - d) recommend that a Court of Chivalry be conducted.
8. May also consider issues (such as interpretations of the rules, fighting conventions, et cetera) brought before it by any members of the court. This gives representation to the Crown, the Chivalry, and the Marshallate, with the court functioning as an investigative body (similar to a mundane Grand Jury). In these cases, the Quarter Court only has the power to make a recommendation and remand the decision to the appropriate Society Office/body.
9. Must see that minutes of all court proceedings are taken and passed on to the Crown and the Society Marshal. All decisions of the Quarter Court are considered final, but may be appealed to a Kingdom Court (Court of Chivalry), subject to the provisions governing such courts in Corpora. Any decision by the Quarter Court shall remain in effect permanently, unless reviewed and overturned, augmented, or otherwise altered by a Kingdom Court (Court of Chivalry) or the Board of Directors of the SCA, Inc.

	=====

Additionally, \$516 was earned at their Majesties' Coronation feast in al-Barran. These funds have been donated to the Outlandish Herald account.

As of December 1st, I have received no bids for the old Coronets of the Outlands. Details of this are in previous issues of the Outlandish Herald. If, as a former Prince or Princess of the Outlands, you are interested in owning one of the Coronets, please contact me as soon as possible.

I would remind all local group Treasurers (and Seneschals!) that the time for Domesday Reports approacheth quickly. Finished reports are due back to me no later than February 15, 1987. It is policy from the National Treasurer that IF A LOCAL GROUP DOES NOT REPORT, THEIR NAME WILL BE FORWARDED TO THE BOARD OF DIRECTORS FOR SUSPENSION.

As soon as I have the report forms from the National Treasurer they will be forwarded to each group's treasurer (provided you've been reporting and I know who you are, otherwise the group's seneschal will receive the forms.) It is my understanding that the seneschal should oversee this important duty and insure it is returned to the kingdom treasurer in a timely fashion.

Yours in service,

Lady Ursula d'Arcy
Treasurer, Kingdom of the Outlands

(8)CALONTIR—156. (9)OUTLANDS—129.3. (10)ATLANTIA—89. No scores were received for Atenveldt or Trimaris.

In the Traditional Longbow Division, the final standings are as follows: (1)EAST—239.6. (2)MERIDIES—206. (3)ANSTEORRA—204.6. (4)ANTIR—125.

In the Crossbow Division, the final scores were: The West in first place with 265, followed by the East with 159 and Ansteorra coming in third with a score of 151.3.

There will be one change in the IKAC Rules next year. The scores from the Traditional Longbow Division will no longer be carried over into the Open Division.

I hope that those kingdomws that did not take a first place will still honor the efforts of their top archers at their Twelfth Night with some type of recognition.

I would like to thank all of you who have made running the IKAC so worthwhile during the past nine years. Thanks to your efforts, archery is well established in the SCA. Next year I shall turn over the running of the IKAS to Lord Hawkwind of Skarabrae of the East, and I shall be running the new Interkingdom Combat Archery Competition.

ESTRELLA WAR III

UNTO ALL TO WHOM THESE PRESENTS COME - GREETINGS!

The time is upon us for the Gathering of the Armies. Yea, and verily, Estrella III, the Return of the Caidii, is soon to be joined, and the crash of weapon on helm will be heard in the land.

The site is Estrella Mountain Park in the Principality of the Sun. The date is February 14-16, Anno Domini 1987.

The park is located approximately 25 miles (8 Roman Leagues) west of the hamlet of Phoenix, and within the boundaries of the Barony of SunDragon. There is running water and some fixed shade pavillions. Privys of both the conventional and portable kind will be provided. Fires are allowed only in stone firepits and campstoves. Ground fires are strictly forbidden. No organized feast is planned but groups are urged to plan their own.

Toll for the entire weekend will be \$5.00 US per person (including smalls) for persons with proof of Society membership - \$7.00 for non-members. A receipt will be issued at the gate for each entry. The site fee includes entrance to the park and the charge for camping extracted by the Park Service. There will be a map posted at the gate giving locations of the Merchants' Quarter, Tavern, and the encampments, by Kingdom. Also on the map will be other areas of possible interest. Upon admission to the site all participants will be required to sign a standard site waiver. In addition, anyone under the age of eighteen years must have their waiver signed by a legal guardian or parent; those attending who are not in the company of their guardian must have a waiver signed and notarized for presentation at the gate or their admission will be declined.

There will be a Tavern, operated within the mundane legal limits of the State of Arizona, run by the Corsairs. The Gilded Kitten will be open for solid consumables. A varied and wholesome menu is planned. A Merchants' Row is planned. The Park Service requires a \$15.00 tax for each booth. This may be paid in advance to the Merchant's Autocrat or transacted at the gate. A separate receipt will be issued to tradespersons and must be kept on display at their booth. In addition, all individuals wishing to conduct business at this War must be members of the Society for Creative Anachronism, Inc. Proof of membership will be required.

Events planned include the usual semi-organized mayhem. A War College was conducted and the rules therefrom are included elsewhere in this newsletter. Horse events are planned for the entire weekend. There will be the omnipresent Inter-Kingdom Arts Tourney and many other activities for fighters and noncombatants alike.

The site will open Friday 2/13 at 9 am for entry and set-up. All animals of the four-footed species must be kept leashed/tethered. Weapon and armour standards will be those in effect as of the date of the event as dictated by the Marshall of the Society. Fighters are requested to provide the water carriers with two gallons of water for field use. Medical and transport facilities will be on site.

Inquiries should be sent to the appropriate Autocrats. As usual, volunteers are eagerly sought in all capacities.

SYNOPSIS OF WAR RULES

In addition to the endorsement of the Imperial Standards for weapons and armour the following criteria have been established for the Third Estrella War.

- 1) Each of the Principal Kingdoms (Atenveldt and Caid) shall raise its own Army. The Armies will be mustered on field and counted by the Marshallate Staff. Disparities in number will be corrected by the addition of fighting units from non-principal Kingdoms until parity of numbers is achieved.
- 2) All on-field disputes shall be settled by the Marshallate Board, the members of which chosen by the Crowns of the participating Kingdoms present at the War (or their duly-authorized representatives).
- 3) Killing from behind will be allowed only using the following criteria:
 - a) poleweapons shall be placed on the shoulder or over the visor (if possible) of the victim and (s)he will be told, "M'lord/m'lady, you are slain/dead."
 - b) Other than poleweapons shall be placed over the visor and the same statement made.

Striking an opponent from behind in any fashion will not be permitted.
- 4) A nine foot (2.8 m) limit is established on all poleweapons used for thrusting only.
- 5) A $7\frac{1}{2}$ foot (2.3 m) limit is established on all poleweapons used for slashing.
- 6) A 90 degree arc is the maximum through which a pole-weapon or greatsword may be swung.
- 7) Weapon and armour standards for the War will be those currently established by the Marshall of the Society as of 14 February, 1987.
- 8) Other standards or regulations may be announced by the Crowns prior to the beginning of the War. It is the obligation of combatants to keep informed of such declarations.

Equestrian Events & Competition

There will be equestrian events and competitions throughout the entire weekend of the Estrella War. The final event to take place will be the obstacle race (jumps) to be held at the Estrella Rodeo Arena. Interested?

From your Chirurgeon...

By now I am sure you are all accustomed and comfortable with the warm up exercises that were published in the last issue of the Outlandish Herald. The next step is cooling down after fighting. Many injuries and sore muscles can be prevented simply by taking a few moments to allow your body to return to a more relaxed state.

The basic mundanities; as you exercise your body produces lactic acid. If muscles are not stretched and the lactic acid is not worked out it crystalizes and causes pain and soreness. Thus the need for a period of cooldown. Many of the exercises I suggest for cooldown have been outlined in my previous article on warm up procedures. Please refer to that article for further explanation of technique.

As you finish fighting, return to doing some slow work, still with an opponent. This will allow for a medium range of work instead of a sudden drop off of activity. Then a slow jog working down to a walk is the next step. Start jogging then as you make your way around the field, slow down to a fast walk, then reduce to a normal walking speed, then a slow walk. This should not be just one trip around the fighting field, take about 10 minutes for this part of your warm-down. It allows the heart to return to a normal resting state, as well as allowing the muscles to relax after the hard workout.

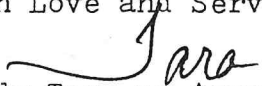

The following is a list of stretches that I feel are good for warm-down;

- Arm Circling
- Hamstring Stretch II
- Shoulder stretch
- Ski Stretch
- Groin Stretch
- Hamstring Stretch
- Back Stretch

After your workout, you probably want to stretch out your calves as well. Find a tree that you can lean against, lean into it, feet together, heels down on the ground. Then place one foot in front of the other and once again lean toward the tree. Change feet and repeat the exercise.

These are only a few exercises that are suggested for cooling down. Once again, if you have a specific need or problem, feel free to ask me and I will try to find an exercise or stretch that will help. I will also ask all marshalls of our Kingdom to encourage this type of cooldown procedures after fighting.

Your in Love and Service to the Outlands,

Lady Tara av Asgaard, Outlands Chirurgeon

KINGDOM OF THE OUTLANDS
OFFICE OF THE SENESCHAL

Greetings unto the Populace of the Outlands:

Gentle folk, it has been a couple months now since I have reported to you through the pages of the Outlandish Herald. It is not because I wished to ignore everyone, but because things were so quiet there was nothing for me to say.

There are some changes that will be taking place in the Marshall's office starting the first of January. These do not directly affect the populace, but the various Marshalls of the local groups will have much more to do and say in the future. The changes are mainly concerned with ways to ensure safety and, to some extent, chivalry upon the field. Further information should be published soon by Sir Jochen concerning this. One other change that affects fighters is that the new membership cards will have a permanent waiver on the back. Look for these the next time you renew your membership.

Speaking of membership, ours as a Kingdom is slightly below what it should be. I heartily encourage all of you to get those people who play to send in a membership. Also, we should try to exert a little extra effort in welcoming and teaching our newcomers so that they will stay, play and learn for the years to come.

Since it is the new year (mundanely), it means that the dreaded Doomsday reports are due. It is very important for these to be completed. The Kingdom officers need your reports in order to compile the information into a Kingdom report to their respective corporate officers. Without this information, the report is either incomplete, or does not give full credit to the accomplishments that your group has attained during the past year.

One item of note that I would like to mention is that Estrella Wars III is fast approaching us. I think this will be a grand time for all who attend. More importantly, it gives us a chance as a Kingdom to go back and refresh our friendships and make new ones with our mother Atenveldt. It will also be the first time we meet and greet the Kingdom of Caid and some folk from the West as well. The Crown would like all who can to attend this first inter-Kingdom event that the Outlands attends.

I am finally fully moved in to my new residence and any correspondence sent to me should be answered promptly now. If any of you have any suggestions, questions, or complaints that you wish answered, send it to me. Please list your address on the letter as well as the envelope. I am also in the process of re-writing the Seneschal's Handbook. If any of you have a certain subject you would like to see covered in the Handbook, please let me know. In closing, I would like to wish all of you a very good year.

Yours, In Service to the Outlands;

Giovanni
Lord Giovanni di Sienna, Seneschal
Kingdom of the Outlands

A TIP OF THE TURBAN

... To the good folk of the Shire of Unser Hafen.

The shire folk raised \$108.50 through the sale of Hershey's Kisses recently and donated the proceeds (along with a pound of the goodies) to THE OUTLANDISH HERALD. The staff of TOH and the Kingdom of the Outlands salute your generosity.

Thank you

We'll just use some of this

OUTLANDS ARTS AND SCIENCES COMPETITION

The first Arts and Sciences Competition for the Kingdom of the Outlands will be held in the Shire of Fontaine dans Sable over the weekend of March 7 & 8, A.S. XXI. We are hoping that many from our populace will join in this competition and other scheduled activities.

Several good citizens of the Outlands have already spent many hours on the preliminary set-up for this event. Much thanks must go to Lady Beatrix von Wertenberg and Sir Hagen for their work with the Rules and the registration and judging procedures. The Rules are a combination of the works of many not only from the Outlands, but ideas have been incorporated from past Atenveldt, Ansteorran, Eastern, and Calontir competitions. We have tried to gather all the best ideas from the various areas as well as many new ideas and mesh them together into what we think are very workable Rules and procedures. Feedback from the populace is greatly appreciated and encouraged.

We invite our neighbors of Atenveldt, and any others, to share their talents and join in our Competition. A Guest Champion will be declared from among those who travel to compete. The Guest Champion will be the entrant whose scores have the highest total points. There is no minimum number of entries, but only the highest 12 scores will be totalled out of a maximum of 15 entries.

To encourage those who tend to spend more time on the fighting field than with the arts, we will be holding a Prize Tournament. The only qualification for entry into the Prize Tournament is that one must enter at least 2 items into the A & S Competition. There are many talented fighters and we hope that you will find that entering even more items into the Competition will be possible with the subcategories available.

A Grand Prize will be awarded to both the Outlands Champion and our Guest Champion. There will also be prizes awarded for the winners of each of the 22 separate categories. The entrants have put a lot of time and energy into their entries and we feel this is just recognition of their skills. We would like for the prizes to be not only representative of the category entered, but they should also be representative of our talented Outlanders. We therefore request that Baronies, Shires, and individuals donate a prize for this Competition. The Kingdom will be providing the Grand Prizes. Please register and send your prize donation to Lady Beatrix whose address appears at the end of this section. Please donate or pledge a prize as soon as possible. Thank you.

More specifics on the event itself will be forthcoming in the February HERALD and will be distributed to the local groups as details are known. In order for the prospective entrants to prepare themselves and their articles for entry, the Rules and pre-registration materials follow.

Many of the complaints from those who have sat through registration, judging and scroll preparation was that they could not enjoy the event and usually worked through the night preparing the results. In order to place more responsibility on the entrants we have decided to try a pre-registration process. The more entrants who pre-register the less work to be done at the site. This is new, but please work with us to make this a smooth-running, enjoyable competition.

PRE-REGISTRATION PROCEDURE:

1. Entrants are asked to fill in the Registration Form and send it to:
Lady Beatrix von Wertenberg
c/o Jan Watson
2876 West Long Drive #E
Littleton, CO 80120

NO LATER THAN WHAT CAN BE RECEIVED BY MARCH 1ST, 1987!

2. Entrants are asked to leave the top section of the form blank, where it asks for the Entrant Number, Entry Letters, and Number of Entries, as well as the section on the main body of the form which asks for Item Number. These areas are to be filled in by the Registrar for the Competition.
3. Entrants are to be assured that changes in their entries can be handled at the site, if they decide to omit and change the number or type of entries they are submitting.
4. Entrants are also asked to make an extra copy of their Registration Form so that they have a copy with them at the site for reference when tagging their individual items.

TAGGING PROCEDURE

1. The entrant must provide a 3x5 card for each entry, giving the following information in this format:

MAJOR CATEGORY: _____
SUB-CATEGORY: _____
ITEM: _____

2. The entrant may give additional information regarding documentation, method of construction, etc., on this card or attach additional documentation to the card with a stapler.
3. Each item will be marked with a sticker which will identify the item by the ENTRANT NUMBER and LETTER (ex: 24F). This sticker (provide at the site) will be placed in the lower right-hand corner of the 3x5 card. NO other form of identification will be used with the entries. In this way, we preserve anonymity as much as possible. These numbers correspond to those listed on the entrant's Registration Form. These numbers will also be written on the Judging Form to identify each item to the Judges.
4. Extra 3x5 cards will be available at the Competition for use in correcting errors only. All entrants must be responsible for marking their entries in this manner before the Competition. Entries can be refused if not properly marked.
5. If an item is entered in two different subcategories, two separate cards should be made for that item. Both cards are to be placed with the item, but in such a way as to allow the Judges to see that there are two distinct cards. THIS IS THE RESPONSIBILITY OF THE ENTRANT! After the item has been judged in one subcategory, it will be placed with other entries in the next subcategory.

This is only a brief discourse of the information about the event and we realize that it has been lengthy. It is also realized that this event is of great importance and benefit for our Kingdom. Please prepare yourself and your entries and plan to attend this our first Competition as a Kingdom. Come share your talents and skills and learn of the others talents as well. SECTION IV. SCORING THE COMPETITION

2. The Champion will be determined by the greatest number of points earned by a qualified candidate for the Championship.

SPECIAL INSTRUCTIONS: _____

Warm Greetings unto the Populace of the Outlands,

I have recieved word from the Corporate Chirurgeon that the Water Bearers Guild will be established under the Chirurgeon's Guild, and thus, my Office. The Water Bearers Guild is designed to serve the Army of the Realm by providing water and refreshment on the field of battle. The formal establishment of this Guild will require a Guildmaster-sort of like the head of a household. Any person interested in this position please contact me. The prerequisites are as follows;

- Proof of membership
- Be 18 years of age
- Knowledge of the rules of combat for the SCA
- Ability to follow instructions
- Must attend War Practice and Estrella War
- Confirmation by local Marshall

For those interested in joining the Guild, the following is a list of prerequisites;

- Proof of membership
- Must be at least 12 years of age
- Confirmation by local Marshall
- Ability to follow instructions

The Guild will provide water and Gatorade to fighters in War situations. You will be expected to provide your own water bottles, (cover them if they are mundane) and extra water when your bottles are empty. This will probably entail an extra 5 gal. container. You will also be required to wear the badge of the Guild (probably on a baldric) that you will need to make yourself.

I have mentioned about a letter of confirmation by the local Marshall- before you send me your proof of membership, etc., go to your local Marshall and talk to him/her about the rules of combat in the SCA. Once he /she is certain that you know these basic rules, have them write a confirmation note for you to send to me. This should simply state the Marshalls name, your name, and the fact that you have been "checked out" and confirmed. Once this information is to me, then I will return a card that you will be required to have with you when you sign a waiver, and on the field. Only registered Guild Members will be permitted on the field at Estrella War, so please get your information in!! Let's get this Guild up and running so we can take care of our fighters at War.

Yours in Love and Service to the Dream,

Tara

The poem which follows should have appeared in last month's issue, but things got busy and I didn't submit it. It was a gift to Gunwaldt from a young lady from Caerthe after she had carried his favor in a boffer tournament. The original is much larger, and is in pencil on tan paper, so this is as good a reproduction as we could manage. This is offered in hopes of encouraging the works and activities of our younger members. [The author is seven years old, and did have assistance of her mother in getting the poem to scan.]

My First Boffer Tourney, by Adrienne ^{Alfred} Genevre de Villeneuve Age 7

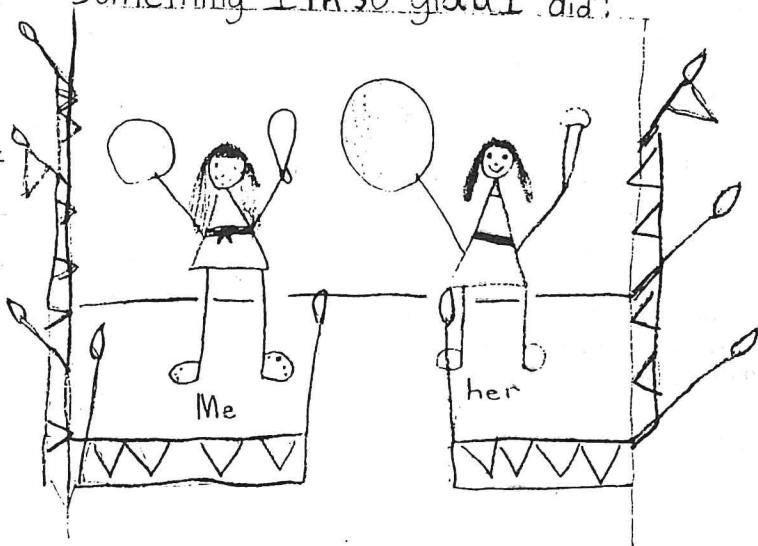

I like Master Gunwaldt
As a King he is neat
Carrying his favor
Was a real treat.

The Tourney was hard
But I found it was fun
Even though I lost
And someone else won.

He made me feel good
Though I lost the fight
He said it was O.K.
And that I did alright.

Yes, I like Master Gunwaldt
Even though I'm a Kid
Cause he made my first Tourney
Something I'm so glad I did!

I looked at the Queen
And she gave me a smile
And then I knew
It was all worth while.
